Notice of Meeting Notes

The following notes explain your general rights as a shareholder and your right to attend and vote at the Annual General Meeting or to appoint someone else to vote on your behalf:

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 25 May 2022, or in the event that the AGM is adjourned, in the Register of Members which is two days prior to the date fixed for holding any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the AGM.
2. Shareholders, or their proxies, intending to attend the AGM in person are requested, if possible, to arrive at the AGM venue at least 15 minutes prior to the commencement of the Meeting at 11.00 a.m. on 27 May 2022 so that their shareholding may be checked against the Company's Register of Members and attendances recorded.
3. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend, speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the Resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
6. You can vote either:
 - by logging on to www.signalshares.com and following the instructions;
 - by contacting our Registrar, Link Group, if you need help with voting online, or require a paper proxy form, by email at enquiries@linkgroup.co.uk, or you may call Link on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Link Group are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales; or
 - in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

In order for a proxy appointment to be a valid form of proxy must be completed. In each case the form of proxy must be received by Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, by 11.00 on 25 May 2022.

7. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
8. The return of a completed proxy form, electronic filing or any CREST Proxy Instructions (as described in note 11 below) will not prevent a shareholder from attending the AGM and voting in person if he/she wishes to do so.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST manual (available from www.euroclear.com/site/public/EUI). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00 on 25 May 2022 (or 48 hours before the date of an adjourned AGM). For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

11. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
 12. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.
 13. As at 21 April 2022 (being the latest practicable business day prior to the publication of this Notice), the Company's ordinary issued share capital consists of 289,847,082 Ordinary Shares, carrying one vote each.
 14. Any Shareholder attending the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the AGM but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
 15. You may not use any electronic address (within the meaning of section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
 16. A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found on the Company's website at www.bigtechnologies.co.uk.

Explanatory Notes

The following notes give an explanation of the proposed Resolutions.

Resolutions 1 to 11 (inclusive) are proposed as Ordinary Resolutions. This means that for each of those Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolutions 12 to 13 (inclusive) are proposed as Special Resolutions. This means that for each of those Resolutions to be passed, at least three quarters of the votes cast must be in favour of the Resolution.

The Directors consider the passing of all of the Resolutions to be in the best interests of the Company and its Shareholders and accordingly recommend that you vote in favour of these Resolutions as they intend to do so in respect of their own shareholdings.

Resolution 1 – Annual Report and Accounts

The Directors of the Company must present the audited accounts for the year ended 31 December 2021 to the AGM.

Resolution 2 – Directors' Remuneration Report

It is proposed that the Directors' Remuneration Report for the financial year ended 31 December 2021, as set out on pages 38 to 43 of the Annual Report, be approved. The Directors' Remuneration Report contains, inter alia, details of the Directors who were members of the Remuneration Committee, a forward looking statement of the Company's policy on Directors' remuneration for subsequent financial years, details of the Directors' service agreements and specific disclosures relating to each Director's remuneration including the growth share plan for executive directors. This vote to approve the Remuneration Committee Report is advisory only and the Directors' entitlement to receive remuneration is not conditional on it.

Resolutions 3 to 8 – Election and Re-election of Directors

Biographical details of all the Directors offering themselves for re-election are set out on pages 26 and 27 of the 2021 Annual Report and are also available for viewing on the Company's website (www.bigtechnologies.co.uk/board).

It is considered that the performance of each Director eligible for re-election continues to be effective, that each Director demonstrates sufficient commitment to their role and that the contribution of each Director continues to be important to the Company's long-term sustainable success.

At the time of the Company's admission to AIM in July 2021, the Board committed to appointing an additional independent non-executive director to the Board. The Board believes that the appointment of Alexander Brennan will strengthen the balance of the Board and confirm its commitment to the governance principles of the QCA Code.

Resolution 9 – Auditor Appointment

The Company is required to appoint the auditor at each general meeting at which accounts are presented, to hold office until the end of the next such meeting. Resolution 9, which is recommended by the Audit Committee, proposes the reappointment of the Company's existing auditor, Crowe UK LLP.

Resolution 10 – Auditor's Remuneration

This Resolution follows best practice in corporate governance by separately seeking authority for the Directors to determine the auditor's remuneration.

Resolution 11 – Directors' power to allot relevant securities

The Company's Directors may only allot ordinary shares or grant rights over ordinary shares if authorised to do so by Shareholders. The authority granted at the general meeting of the Company on 19 July 2021 under section 551 of the Companies Act 2006 to allot relevant securities is due to expire at the conclusion of this year's AGM. Accordingly, this Resolution seeks to grant a new authority to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and will expire at the conclusion of the next AGM of the Company in 2023 or, if earlier, the close of business on 1 July 2023.

If passed, the authority granted by the passing of this Resolution will be limited to an aggregate nominal value of £966,156 of Ordinary Shares which represents approximately one third of the ordinary share capital in issue as at the date immediately prior to the date of this Notice. If renewed, the authority will, unless previously renewed, varied or revoked by the Company in general meeting, expire at the conclusion of the next Annual General Meeting of the Company to be held after the passing of this Resolution or, if earlier, on 1 July 2023.

Resolution 12 – Disapplication of pre-emption rights

Under section 561(1) of the Companies Act 2006, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing Shareholders in proportion to their holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing Shareholders. This cannot be done under the Companies Act 2006 unless the Shareholders have first waived their pre-emption rights.

In 2015, the Pre-Emption Group (which represents the Investment Association and the Pension and Lifetime Savings Association) published a revised statement of principles for the disapplication of pre-emption rights (the "Principles"). The Principles relate to issues of equity securities for cash other than on a pre-emptive basis (i.e. other than pro rata to existing Shareholders) by all companies (wherever incorporated) with shares admitted to the Premium Listing segment of the Official List of the UK Listing Authority and to trading on the Main Market for listed securities of the London Stock Exchange. Certain other companies, including those with shares admitted to trading on AIM, are encouraged to adopt the Principles.

The Principles provide that a general authority for the disapplication of pre-emption rights over approximately 5 per cent of the Company's issued ordinary share capital should be treated as routine.

Other than in connection with a rights issues or any other pre-emptive offer concerning equity securities, and subject to the passing of Resolution 11, this Resolution seeks to replace the authority conferred on the Directors at the general meeting of the Company on 19 July 2021 to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) without application of pre-emption rights. The authority will be limited to the issue of shares for cash up to a maximum aggregate nominal value of £289,847, which is equivalent to approximately 10 per cent of the Company's issued ordinary share capital as at the date immediately prior to the date of this Notice.

This Resolution will be proposed as a Special Resolution. If renewed, the authority will, unless previously renewed, varied or revoked by the Company in general meeting, expire at the conclusion of the next AGM of the Company in 2023 or, if earlier, the close of business on 1 July 2023. The Directors intend to renew this authority annually and confirm their intention to follow best practice, as set out in the Principles, which provide that usage of this authority in excess of 7.5 per cent of the Company's issued ordinary share capital in a rolling three year period would not take place without prior consultation with key Shareholders.

Resolution 13 – Company's authority to purchase its own ordinary shares

In certain circumstances it may be advantageous for the Company to purchase its own shares and this Resolution seeks the authority from Shareholders to do so. It is proposed that the Company be authorised to make market purchases up to an aggregate of 28,984,708 Ordinary Shares, representing approximately 10 per cent of the Company's issued ordinary share capital as at the date immediately prior to the date of this Notice. The authority specifies the minimum and maximum prices that may be paid for any Ordinary Shares.

This Resolution provides the flexibility to allow the Company to purchase its own shares in the future and is intended to allow your Board to take advantage of opportunities that may arise to increase Shareholder value. The Directors will exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and will be likely to promote the success of the Company for the benefit of its members as a whole. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority.

Any shares purchased in the market under this authority may be either cancelled or, pursuant to the Companies Act 2006 and the authority conferred by this Resolution, held as treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

Shares held in treasury allow the Company to quickly and cost-effectively reissue shares and also gives the Company the opportunity to satisfy employee share scheme awards. The total number of options to subscribe for Ordinary Shares that were outstanding at the date immediately prior to the date of this Notice was 4,070,450. The proportion of issued share capital that they represent at this time is 1.4 per cent and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 1.6 per cent.

The authority given under this Resolution will, unless previously renewed, varied or revoked by the Company in general meeting, expire at the conclusion of the next AGM of the Company in 2023, or, if earlier, the close of business on 1 July 2023. It is the present intention of the Directors to seek renewal of this authority annually.
